

## **AL Hall of Fame Scholarship**

In 1999, several members of the Abraham Lincoln High School Hall of Fame created this scholarship for graduating National Honor Society students.

The \$5000.00 scholarship, payable over four years, is awarded to a student who is enrolled in an accredited four-year college or university. Members of the Hall of Fame Scholarship Committee select the recipient based upon a submitted application and an essay.

The rationale for limiting eligible applicants to members of the National Honor Society is that the Hall of Fame is a project of the National Honor Society. Also, you may remember that the criteria for membership in the NHS are scholarship, leadership, character and service; all key attributes leading to a successful college experience and career.

Our goal is to establish an \$80,000.00 endowment to assure the continuation of the program for many years to come. Contributions may be sent to: Community Education Foundation, Inc. Hall of Fame Scholarship, 300 West Broadway, Suite 112, Council Bluffs, IA 51503

We are very grateful for the very positive response we have had to date. We feel certain that our scholarships are having a positive impact on the lives of promising young people.
