

## **Donald C. Scheibeler Memorial Scholarship**

Friends and former students of Donald Scheibeler (Scheib) have established a scholarship to honor Scheib who died in September 2004 at the age of 69.

Mr. Scheibeler, who spent all but two of his 41 years teaching for the Council Bluffs Community School District, was remembered by colleagues and students as a brilliant teacher who brought humor and joy to Abraham Lincoln High School.

Jean Regan, an English teacher at Abraham Lincoln, knew Scheibeler for 21 years and shared a classroom with him. “He was so wonderful with the kids. Even after he retired he gave me a list of a couple of kids to check up on,” Regan said. “He had such a caring way about him.”

Donations to the Donald C. Scheibeler Memorial Scholarship can be mailed to the Community Education Foundation at 300 W Broadway, Suite 112, Council Bluffs, IA 51503. The scholarship will be for students graduating from Abraham Lincoln High School.
